

Ref: OIML TC 8/SC 7/001/1CD

Dear Colleagues,

Please find attached the first committee draft (1CD) Recommendation R137 – Gas Meters Parts 1 and 2. This 1 CD of R137 has been issued by the TC8/SC7 International Organisation for Legal Metrology [OIML](#) Secretariat (Netherlands) for committee member comments and with NMO representing the UK on this OIML committee I am circulating this draft for you to review and to provide comments, if any, for improving the draft.

OIML International Recommendations are used as model regulations, which provide Members with an internationally agreed-upon basis for the establishment of national legislation on various categories of measuring instruments.

Please use the attached form to respond with your comments. The closing date for return of your comments is the **15<sup>th</sup> December 2009**.

You can circulate this draft to other interested stakeholders as necessary and they can send their comments directly to me.

Please don't hesitate to contact me if you have any questions regarding this or NMO's OIML work or visit [NMO International](#) for further information.

Best Regards
